Start and finishing points are signed. There are route markers along the paths, which are also colour coded. It is possible to link several trails to make a longer walk. Only access trails where signed.

Please do not divert off the walking trail for your own safety and to prevent damage to sensitive flora. Strictly no driving allowed on Kuleni other than to and from your lodge. Walking on roads and fenceline is permitted.

Please be aware of ticks. It is wise to spray yourself with a repellent before walking through any long grass.
